

***Nobles,***

***For 30 years the Mocha Jeepsters have been organizing and supporting the annual Vidalia Onion Fundraising Campaign.***

***For 25 of those Noble Myrle Hickey has been Chairman and he announced his well deserved retirement last year. We wish to sincerely thank Myrle for his service to Mocha, the Jeepsters and the cause.***

***Ill. Sir Grant Fotheringham has now assumed the Chairmanship and we look forward to carrying on in the same tradition as in the past.***

***The last couple of years have been a challenge and this year we may be faced with substantial increases in both product and transportation costs. The situation remains so volatile that we will have to wait until April to determine our costs and price to the clubs and units as well as a suggested retail price. Whatever that price turns out to be, we will strive to be competitive with the traditional retailers of quality, genuine "Vidalia" onions from Georgia.***

***Any forecasts or commitments from our Club and Unit customers would be very helpful in us determining what our initial order should be. The order forms and pricing will be sent out as soon as possible.***

***In the meantime, should you have any questions or comments, our Chairman, Ill. Sir Grant would be pleased to hear from you. His contact info is below:***
